BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

The Ayurvedic College established at Mysore is to be managed by a Committee of which the Councillor in charge of the Mysore Portfolio is the President and the Mysore Superintendent the Ex-officio Secretary. There are four other members

2 If the meetings could be held only when the Councillors should be at Mysore for the Dasara or the Birthday festivities it would be convenient enough, But meetings have to be held on other occasions when the Councillors may not find it convenient to be at Mysore. If the members are to meet here the Travelling allowances of Messrs V N Narasimha Iyengar and Ramiah Pandit will have to be found from the Agricultural College Funds which are just enough for establishment and contingencies and contain no provision for travelling allowances.

3 It is also not convenient to dispose of matters by circulation I circulated some papers in that mode also; and there have not been returned.

4 In these circumstances I respectfully submit that it would be convenient

President and Secretary should be office bearers ex officio.

5 In this connection I may also point out that the approved College is to appear both as a proper charge on Municipal funds. Also as a proper charge on District funds. The Indigenous Hospital at Mysore is maintained from both sources, it was ~~formerly~~ training institute for Vaidyas, also who have been entertained in service. The Head Quarters of this College is the Head Quarters of the Indigenous Hospital and has connection with both sources. The Municipality has charge of this College apparently because this College is an offshoot of the Vaidya classes of the Mysore Sanskrit College.

6 In this circumstances it seems to me that the Director may be made the President of the Committee and the D.E. Medical and Sanitary officer the Secretary. If this latter officer cannot be Secretary the Treasury Assistant (who is also Bursar of the Central Board) or the City Magistrate or Municipal Vice-President might be Secretary.

8 No extra establishment will be required as this College has a well-paid Writer in the

The proposal to reconstitute the Committee is made ~~to the~~ at my suggestion.

Instead of the Civil Surgeon the Treasury Offr (for the time being) may also be added as a member & made Secretary Dy DG made the President. I do not think it of any use to have the Council-lor & Mus Supts on the Committee.

The experiment is a novel one and requires sympathetic & influential support. Officers trained in the western system of medicine have undisguised contempt for ayurvedic methods and cannot be expected to warmly sympathize with the scheme.]

Offg Secretary to Govt.

Submitted to His Highness.

The Under Secretary, Muzrai Department, has explained in his note on the accompanying file, the inconvenience now experienced in regard to holding meetings of the Committee for the management of the Ayurvedic College in Mysore, by reason of the fact that the Second Councillor is at present the President and the Muzrai Superintendent, the Secretary of the Committee; and he has suggested that the Deputy Commissioner of Mysore may be appointed President, and the District Medical and Sanitary Officer of Mysore, the Secretary of the Committee.

2. The subject has been considered in Council. The Council is of opinion that the Muzrai Superintendent may be appointed President of the Committee instead of the Second Councillor, and the Committee empowered to nominate one of its members a Secretary if a Secretary is found necessary. This may be approved.
